MAIN STREET PROJECT

Next week, crews will begin planting the first of many new trees downtown. The installation of new light posts will also begin.

In addition, crews will be laying stone and brick from the Park Street bump-out to the clock tower; building furniture zone foundations; working on the crosswalks; and fine grading the southern sections of the furniture zone.

ROAD PAVING

On Monday, June 1st, the following roads will begin to be resurfaced with a new shim overlay:

- Dwinnell Drive - full length
- Federal Street - full length
- Gale Street - full length
- Holt Street - full length
- Orchard Street - full length
- Pleasant Street - Langley to Fisk
- Pleasant View - full length
- Prince Street - full length
- Redington Road - full length
- Short Street - full length
- Silk Farm Road - Clinton St. to I89
- Summit Street - full length
- Tahanto Street - full length
- Tuttle Street - full length

These streets will be closed to on-street parking between 7:00 AM and 5:00 PM during construction, and one-lane traffic will be maintained. All manhole covers and catch basins will be raised by one inch for the final overlay. Paving will be complete around the third week of June, at which time shoulder work (as pictured) will be done to tie driveways back into the new pavement. This shoulder work is anticipated to be completed by the end of July.

Continental Paving is the contractor for this project, which is coordinated by the General Services Department. We appreciate the public's patience and cooperation during this construction. For more information about this project, or City paving in general, visit www.concordnh.gov/pavingplan.

PROPERTY TAX BILLS

Property tax bills containing the July 1, 2015 and October 1, 2015 payment coupons were mailed on May 28th. Residents who have not received their property tax bill should contact the Collections Office at 225-8540.

CONCORD POLICE BICYCLE AUCTION

The Concord Police Department's annual Bicycle Auction will take place on **Friday, June 5th**, at the Green Street Community Center, located at 39 Green Street (behind the Police Station). Viewing of the bicycles begins at 5:30 PM, and the auction will start at 6:00 PM.

ROUTE 3 CORRIDOR IMPROVEMENTS

Phase 6 construction is scheduled to commence next week, beginning with the installation of construction signage and the raising of manhole covers in preparation for final paving of Village Street, from Coral Street to Stark Street. Commuters can expect minor delays with alternating one-way traffic through the work zone.

THE WILDCAT REGIMENT BAND

Concord is still resonating with the glorious music of The Wildcat Regiment Band, who gave five performances over Memorial Day weekend in honor of Concord's 250th anniversary. The band gave our city a priceless gift: Civil War music with roots in New Hampshire, Concord, and Penacook Village, played live here for the first time in almost 140 years. Over 1,000 people attended the concerts. The Audi heard thunderous applause and Riverside Park in Penacook was filled with "Bravos!" and dancing children. Stay tuned for more!

VENDOR DEMO DAYS

Beaver Meadow Golf Course will hold Callaway Day tomorrow from 11:00 AM to 3:00 PM. If Callaway doesn't interest you, then Titleist will be here on Tuesday, June 2nd, from 1:00 PM to 5:00 PM. These two events are free and open to the public. Come test out their new products! For more information, call the Pro Shop at 228-8954.

For more information, please contact Matt Walsh at 225-8570.

PUBLIC PROPERTIES DIVISION ACTIVITIES

The Public Properties Division of the General Services Department has been very busy maintaining the City's various properties. Staff recently finished renovating the Green Street Community Center which included a new paint finish throughout the facility, cleaned and upgraded bathrooms and locker rooms (with new elements such as toilet partitions, vanities, and window sills), and a new gym floor. Staff also recently coordinated the installation of the docks near the Everett Arena for public use; turned the water fountains on for the season at Bicentennial and Eagle Squares; and painted the pool houses and pump rooms at Garrison and Rolfe Parks.

STUDENTS DONATE STUFFED TOYS FOR CHILDREN

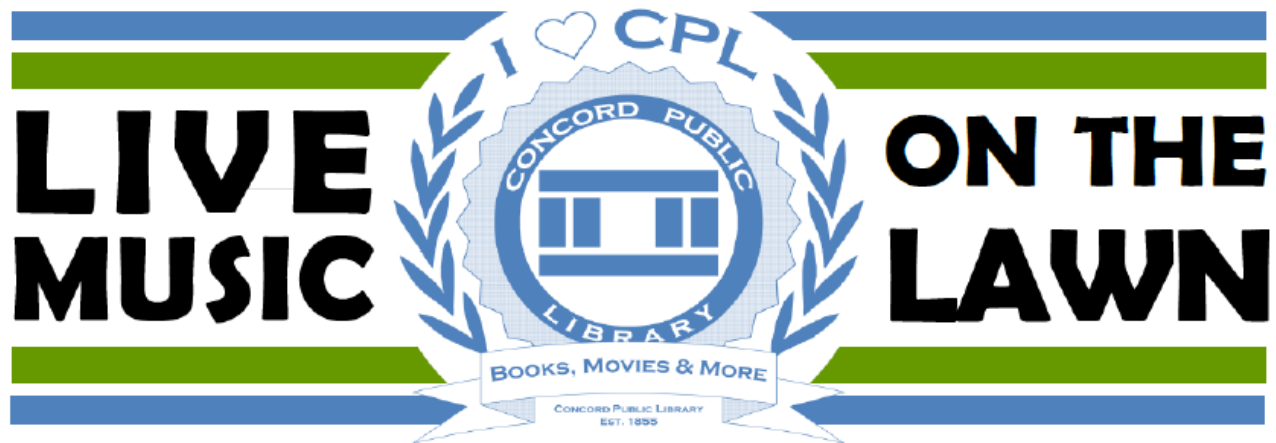

Each year, the Jobs for America's Graduates Program at Merrimack Valley High School completes a community benefit project that they donate to a local organization. This year, the class made stuffed fleece pillows and collected stuffed toys to be given to children who have been involved in traumatic situations. The Concord Fire Department's Manor Station is the very grateful recipient of their donation. Manor Station responders will give the items to small children who are involved in accidents or who are experiencing illness.
